

# The All-New Tayron

Life comes in many sizes

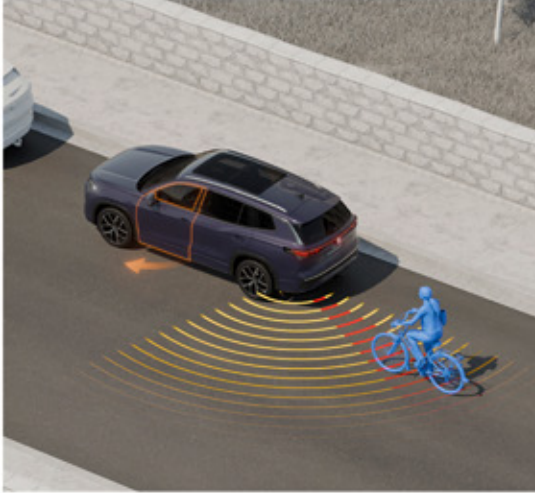

## 7 Seats

# Interior Comfort

Step inside the new Tayron and experience a sophisticated interior crafted for pure indulgence. Heated front seats, a leather-wrapped multi-function steering wheel, and the Climatronic 3-zone automatic air conditioning system elevate every drive. Featuring a panoramic sunroof that invites the outside in and rear seat backrests that fold effortlessly for expanded storage, the Tayron turns every journey into a first-class experience for passengers and drivers alike.

# Advanced Safety

Your peace of mind is always in focus with the Tayron's advanced safety suite. Confidence comes standard with features like Driver Alert System, Hill Start Assist, and multiple airbags, including central and curtain airbags for front and rear passengers. ISOFIX child seat anchors and Electronic Stability Control ensure that every member of the family stays secure, no matter the conditions.

# Unmatched Performance

At the heart of the Tayron lies a 1.4L TSI engine delivering 150 HP, paired with a 7-speed DSG gearbox and front-wheel drive. With 250 Nm of torque and a 0-100 km/h time of just 8.8 seconds, the Tayron offers a thrilling yet efficient ride, perfect for those who seek harmony in precision and power.

# Intuitive Experience

The Tayron is smartly designed around you. Enjoy hands-free convenience with Keyless Access, Wireless App-Connect for Apple CarPlay & Android Auto, and an anti-glare rearview mirror. The Tayron's 10.25" Digital Cockpit with its 15" infotainment touchscreen keeps everything you need in view and in control; all while ambient lighting sets the perfect tone for any journey.

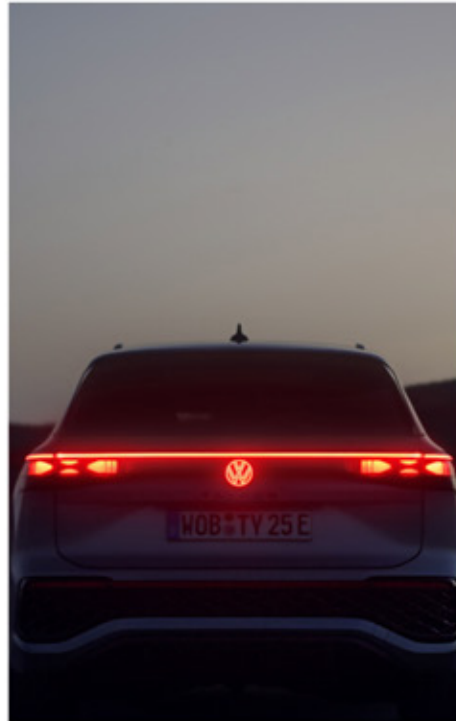

# Intelligent Illumination

Navigate confidently with Volkswagen's intelligent LED Plus headlights with integrated LED daytime running light. Adapting to various road conditions, they optimize visibility while reducing glare for other drivers. With dynamic turn signals and sleek lighting design, the Tayron doesn't just light the road ahead; it redefines brilliance and leads the way with unmistakable style.

# Exterior Styling

Bold yet refined, the Tayron's exterior makes a confident statement. From its sculpted front bumper and signature LED headlamps to the dynamic lines that flow across its silhouette, every element reflects Volkswagen's design precision. Complete with 3D LED taillights, four eye-catching "Leeds" Black/Gray 20" alloy wheels with diamond-turned surface, a tilting and sliding panoramic sunroof, and dark tinted windows, the new Tayron blends elegance and strength in one commanding presence.

# Always-on Connectivity

Technology that anticipates your needs. The Tayron features a state-of-the-art 15" infotainment display with voice control, Wireless App-Connect, and an intuitive 10.25" Digital Cockpit.

USB-C ports in both front and rear ensure high-speed charging, while the advanced 8-speaker sound system and ambient lighting with 30-color options create a tailored in-car experience for driver and passengers alike.

# Smart Storage

Built to sustain your lifestyle, the Tayron offers flexible cargo space and smart storage solutions. Whether it's a weekend getaway or your daily commute, the Tayron's 885-liter luggage capacity - expandable to 2,090 liters with the rear seats folded - means you never have to compromise on space again. With hands-free Easy Open & Close sensor-controlled tailgate access and a low loading edge, packing up has never been easier.
