# VOYAH FREE

Elevate Your Drive

The Voyah Free is a premium mid-size SUV built for long-distance electric travel with backup confidence.

It combines smooth electric driving with an extended range powertrain, offering up to 483 hp and nearly 1,500 km of total driving range.

The exterior features a clean, aerodynamic design with frameless doors, matrix LED lighting, and a full-length panoramic roof. Inside, it includes triple 12.3-inch digital displays, heated and ventilated massage seats, and a premium Dynaudio sound system.

The Free balances performance, tech, and practicality—making it one of the longest-range electric SUVs available.

## Interior Features

- One-piece liftable triplex screen spanning the dashboard
- 12.3-inch full LCD instrument cluster
- Multifunctional leather steering wheel with adjustable tilt and telescopic functions
