INTERIOR DESIGN.

AN
INTERIOR
FULL OF COMFORT
AND LUXURY.

A real oasis of wellbeing: the interior of the BMW X7 is modern and luxurious – thanks to electrically adjustable comfort seats, the ambient lighting strip and refined controls. The generous Curved Display is an absolute highlight that makes a statement of forward-looking innovation and allows you to keep an eye on your destinations at all times.

INTERIOR DESIGN.

Opens up new perspectives: the electric Panorama glass roof Sky Lounge with sliding and lifting function creates a bright, light-flooded atmosphere and it creates an atmospheric ambience, especially in the dark, thanks to LED-based light graphics.

MORE SPACE FOR YOU.
**MORE SPACE
FOR LUXURY.**

In the BMW X7 M60i xDrive, you will experience more traction, irresistible dynamism and unlimited driving safety.

EQUIPMENT

EQUIPMENT HIGHLIGHTS.

The xDrive is BMW's intelligent all-wheel drive system. Ideally designed for the X range models, the BMW xDrive works collectively with Dynamic Stability Control to manage the best power distribution to each wheel upon sensing slippery or non-ideal driving road conditions.

Delivering responsive handling and surefooted traction, the combination of power and agility turns any journey into an adventure-packed endeavor. Also equipped with Hill Descent Control (HDC) system.

EQUIPMENT HIGHLIGHTS.

BMW Live Cockpit Professional with navigation function includes a high-quality display network consisting of a high-resolution 14.9" info display that can be operated by touch and a fully digital 12.3" instrument cluster.

BMW "Iconic Glow" Crystal Headlights: Swarovski glass elements with diamond cut integrated into the daytime driving lights, arranged in "L" shapes that light up these crystals to offer a Welcome & Goodbye staging with dynamic sparkling.

EQUIPMENT HIGHLIGHTS.

Executive Drive Pro: combines active roll stabilization, adaptive 2-axle air suspension, integral active steering and camera, so the movements of the vehicle's superstructure when driving in turns and on straights is reduced to a minimum; includes manual leveling or automatic self-leveling from 140 Km/h.

Comfort Access allows keyless entry to the vehicle doors and tailgate.

EQUIPMENT HIGHLIGHTS.

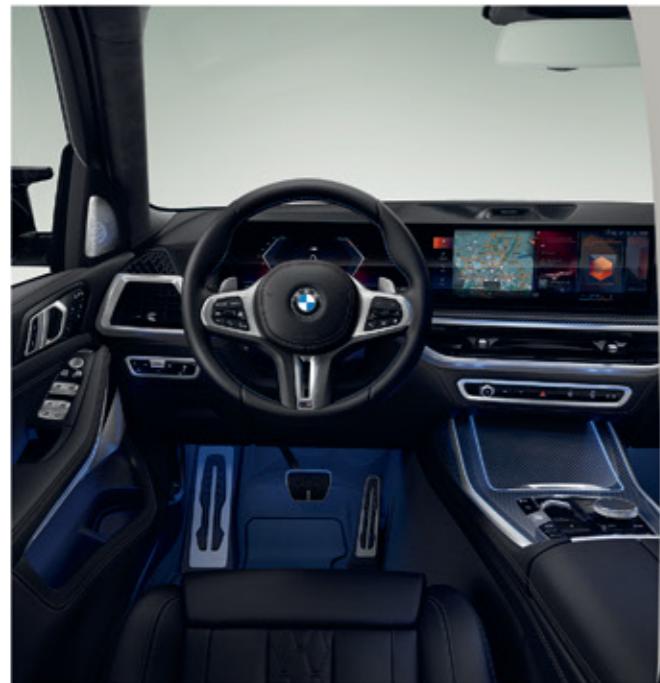

The Travel & Comfort System enables the attachment of the Clothes Hanger, Universal Hook, Folding Table, or a Tablet Holder. Additionally, it includes two USB Type-C connections for the 2nd seat row passengers and two for the 3rd seat row passengers.

5-zone automatic air conditioning: includes separate control element with display in the 2nd and 3rd seat row for individual temperature setting as well as air vents in the B-pillar and C-pillar.

EQUIPMENT HIGHLIGHTS.

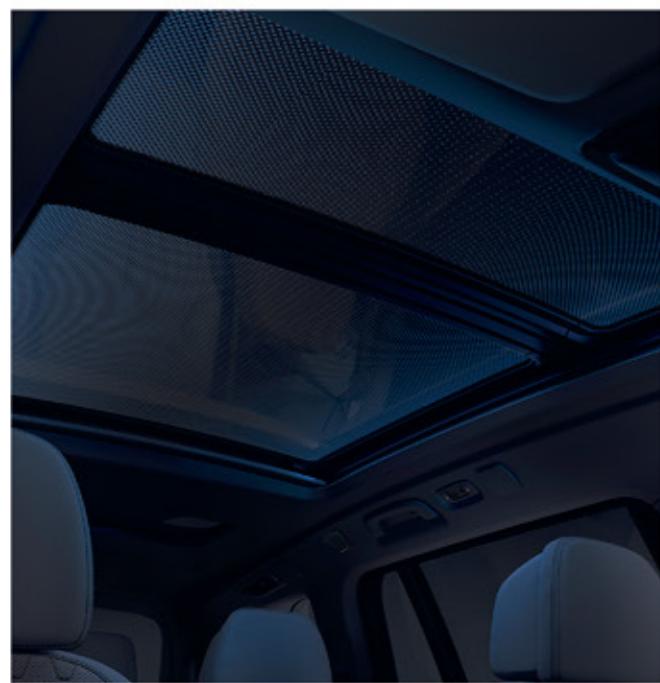

Ambient light package comprises 15 pre-defined selectable light designs in various colors in addition to **BMW Welcome Light Carpet**.

EQUIPMENT HIGHLIGHTS.

BMW Head-up display: projects all navigation and important information in full colour on your windscreen.

Acoustic Glazing: sound-insulating glass which increases driving comfort.

Sky Lounge panoramic glass roof creates a sense of space at night through integrated LED light graphics with about 15,000 illuminated graphic surfaces in the glass, in addition to separate roof for 3rd seat row.

Harman Kardon surround sound system with a powerful 464W digital amplifier & 16 loudspeakers for truly outstanding sound quality.

Luggage control unit: electric folding of the seats in the 2nd and 3rd seat row, with integrated buttons to get maximum luggage capacity or maximum seating.

EQUIPMENT HIGHLIGHTS.

BMW "Iconic Glow" active kidney grille: highlighting of BMW radiator grille by innovative LED fibre optical technology (in white). **"Active"** indicates the opening and closing of the air vents to actively regulate the airstream. They close for increased aerodynamics and open if the cooling demand for the engine increases.

6-Seater: 2 comfort seats with armrest for passengers in the 2nd seat row.

EQUIPMENT HIGHLIGHTS.

Glass application 'Crafted Clarity' for interior elements: handmade polished crystal glass elements for the iDrive controller and the start/stop button.

Cupholders with heating & cooling function.

Parking Assistant Plus: Visual parking aid featuring Rear-view Camera, Top View, Panoramic View and 3D View makes parallel and perpendicular parking to the road easier. The system completely takes over the steering, the accelerator, and the transmission.
