

BJ60

THE PERFECT OFF - ROAD SUV

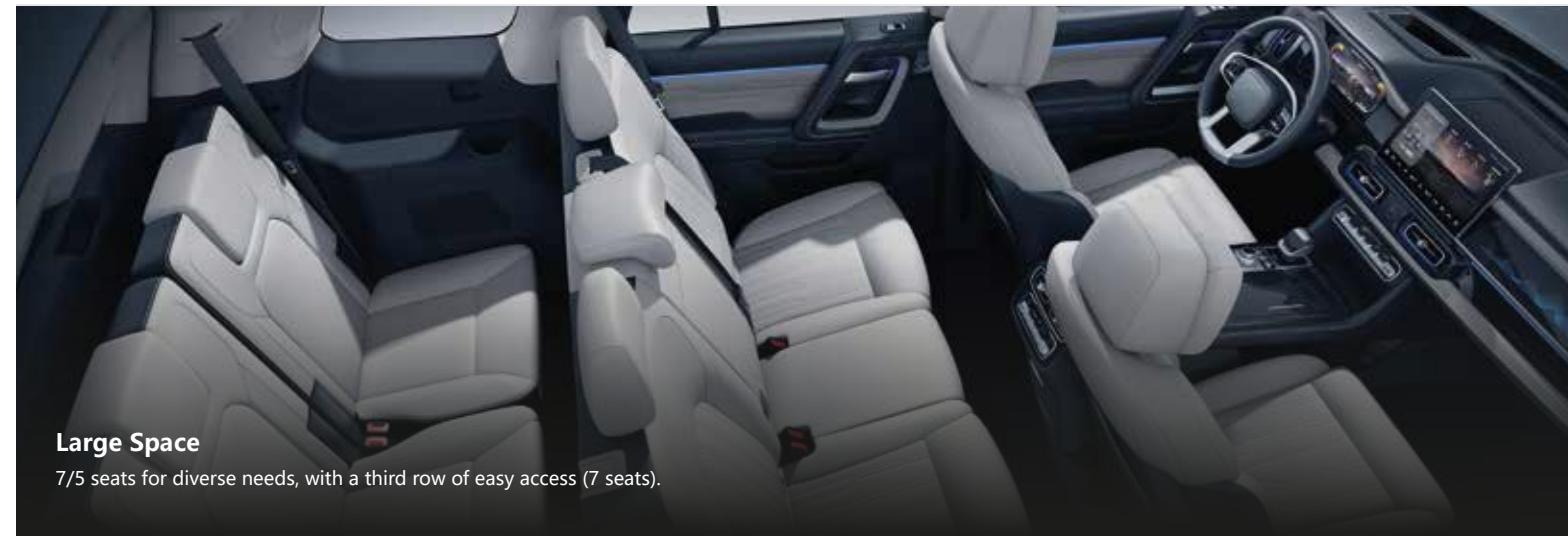

Four-Screen Linkage

Off-road features W-HUD head-up display, more suitable for off-road scenarios, imaging distance up to 2.2m.

Three Differential Locks / Crawl Control System / Part Time 4WD

When one side's drive wheel slips, the three locks can transfer engine torque to the other side's drive wheel, helping the vehicle to get out of a tough situation. / The Creep mode function developed for driving in challenging terrains. / Smooth Switching between 2H, 4H, and 4L

Large Space

7/5 seats for diverse needs, with a third row of easy access (7 seats).
